Observations
1. The first observation is the date of the first observation, which is 1/1/1990. 2. The second observation is the date of the second observation, which is 1/1/1991. 3. The third observation is the date of the third observation, which is 1/1/1992. 4. The fourth observation is the date of the fourth observation, which is 1/1/1993. 5. The fifth observation is the date of the fifth observation, which is 1/1/1994. 6. The sixth observation is the date of the sixth observation, which is 1/1/1995. 7. The seventh observation is the date of the seventh observation, which is 1/1/1996. 8. The eighth observation is the date of the eighth observation, which is 1/1/1997. 9. The ninth observation is the date of the ninth observation, which is 1/1/1998. 10. The tenth observation is the date of the tenth observation, which is 1/1/1999. 11. The eleventh observation is the date of the eleventh observation, which is 1/1/2000. 12. The twelfth observation is the date of the twelfth observation, which is 1/1/2001. 13. The thirteenth observation is the date of the thirteenth observation, which is 1/1/2002. 14. The fourteenth observation is the date of the fourteenth observation, which is 1/1/2003. 15. The fifteenth observation is the date of the fifteenth observation, which is 1/1/2004. 16. The sixteenth observation is the date of the sixteenth observation, which is 1/1/2005. 17. The seventeenth observation is the date of the seventeenth observation, which is 1/1/2006. 18. The eighteenth observation is the date of the eighteenth observation, which is 1/1/2007. 19. The nineteenth observation is the date of the nineteenth observation, which is 1/1/2008. 20. The twentieth observation is the date of the twentieth observation, which is 1/1/2009. 21. The twenty-first observation is the date of the twenty-first observation, which is 1/1/2010. 22. The twenty-second observation is the date of the twenty-second observation, which is 1/1/2011. 23. The twenty-third observation is the date of the twenty-third observation, which is 1/1/2012. 24. The twenty-fourth observation is the date of the twenty-fourth observation, which is 1/1/2013. 25. The twenty-fifth observation is the date of the twenty-fifth observation, which is 1/1/2014. 26. The twenty-sixth observation is the date of the twenty-sixth observation, which is 1/1/2015. 27. The twenty-seventh observation is the date of the twenty-seventh observation, which is 1/1/2016. 28. The twenty-eighth observation is the date of the twenty-eighth observation, which is 1/1/2017. 29. The twenty-ninth observation is the date of the twenty-ninth observation, which is 1/1/2018. 30. The thirtieth observation is the date of the thirtieth observation, which is 1/1/2019. 31. The thirty-first observation is the date of the thirty-first observation, which is 1/1/2020. 32. The thirty-second observation is the date of the thirty-second observation, which is 1/1/2021. 33. The thirty-third observation is the date of the thirty-third observation, which is 1/1/2022. 34. The thirty-fourth observation is the date of the thirty-fourth observation, which is 1/1/2023. 35. The thirty-fifth observation is the date of the thirty-fifth observation, which is 1/1/2024. 36. The thirty-sixth observation is the date of the thirty-sixth observation, which is 1/1/2025. 37. The thirty-seventh observation is the date of the thirty-seventh observation, which is 1/1/2026. 38. The thirty-eighth observation is the date of the thirty-eighth observation, which is 1/1/2027. 39. The thirty-ninth observation is the date of the thirty-ninth observation, which is 1/1/2028. 40. The fortieth observation is the date of the fortieth observation, which is 1/1/2029. 41. The forty-first observation is the date of the forty-first observation, which is 1/1/2030. 42. The forty-second observation is the date of the forty-second observation, which is 1/1/2031. 43. The forty-third observation is the date of the forty-third observation, which is 1/1/2032. 44. The forty-fourth observation is the date of the forty-fourth observation, which is 1/1/2033. 45. The forty-fifth observation is the date of the forty-fifth observation, which is 1/1/2034. 46. The forty-sixth observation is the date of the forty-sixth observation, which is 1/1/2035. 47. The forty-seventh observation is the date of the forty-seventh observation, which is 1/1/2036. 48. The forty-eighth observation is the date of the forty-eighth observation, which is 1/1/2037. 49. The forty-ninth observation is the date of the forty-ninth observation, which is 1/1/2038. 50. The fiftieth observation is the date of the fiftieth observation, which is 1/1/2039. 51. The fifty-first observation is the date of the fifty-first observation, which is 1/1/2040. 52. The fifty-second observation is the date of the fifty-second observation, which is 1/1/2041. 53. The fifty-third observation is the date of the fifty-third observation, which is 1/1/2042. 54. The fifty-fourth observation is the date of the fifty-fourth observation, which is 1/1/2043. 55. The fifty-fifth observation is the date of the fifty-fifth observation, which is 1/1/2044. 56. The fifty-sixth observation is the date of the fifty-sixth observation, which is 1/1/2045. 57. The fifty-seventh observation is the date of the fifty-seventh observation, which is 1/1/2046. 58. The fifty-eighth observation is the date of the fifty-eighth observation, which is 1/1/2047. 59. The fifty-ninth observation is the date of the fifty-ninth observation, which is 1/1/2048. 60. The sixtieth observation is the date of the sixtieth observation, which is 1/1/2049. 61. The sixty-first observation is the date of the sixty-first observation, which is 1/1/2050. 62. The sixty-second observation is the date of the sixty-second observation, which is 1/1/2051. 63. The sixty-third observation is the date of the sixty-third observation, which is 1/1/2052. 64. The sixty-fourth observation is the date of the sixty-fourth observation, which is 1/1/2053. 65. The sixty-fifth observation is the date of the sixty-fifth observation, which is 1/1/2054. 66. The sixty-sixth observation is the date of the sixty-sixth observation, which is 1/1/2055. 67. The sixty-seventh observation is the date of the sixty-seventh observation, which is 1/1/2056. 68. The sixty-eighth observation is the date of the sixty-eighth observation, which is 1/1/2057. 69. The sixty-ninth observation is the date of the sixty-ninth observation, which is 1/1/2058. 70. The seventieth observation is the date of the seventieth observation, which is 1/1/2059. 71. The seventy-first observation is the date of the seventy-first observation, which is 1/1/2060. 72. The seventy-second observation is the date of the seventy-second observation, which is 1/1/2061. 73. The seventy-third observation is the date of the seventy-third observation, which is 1/1/2062. 74. The seventy-fourth observation is the date of the seventy-fourth observation, which is 1/1/2063. 75. The seventy-fifth observation is the date of the seventy-fifth observation, which is 1/1/2064. 76. The seventy-sixth observation is the date of the seventy-sixth observation, which is 1/1/2065. 77. The seventy-seventh observation is the date of the seventy-seventh observation, which is 1/1/2066. 78. The seventy-eighth observation is the date of the seventy-eighth observation, which is 1/1/2067. 79. The seventy-ninth observation is the date of the seventy-ninth observation, which is 1/1/2068. 80. The eightieth observation is the date of the eightieth observation, which is 1/1/2069. 81. The eighty-first observation is the date of the eighty-first observation, which is 1/1/2070. 82. The eighty-second observation is the date of the eighty-second observation, which is 1/1/2071. 83. The eighty-third observation is the date of the eighty-third observation, which is 1/1/2072. 84. The eighty-fourth observation is the date of the eighty-fourth observation, which is 1/1/2073. 85. The eighty-fifth observation is the date of the eighty-fifth observation, which is 1/1/2074. 86. The eighty-sixth observation is the date of the eighty-sixth observation, which is 1/1/2075. 87. The eighty-seventh observation is the date of the eighty-seventh observation, which is 1/1/2076. 88. The eighty-eighth observation is the date of the eighty-eighth observation, which is 1/1/2077. 89. The eighty-ninth observation is the date of the eighty-ninth observation, which is 1/1/2078. 90. The ninetieth observation is the date of the ninetieth observation, which is 1/1/2079. 91. The ninety-first observation is the date of the ninety-first observation, which is 1/1/2080. 92. The ninety-second observation is the date of the ninety-second observation, which is 1/1/2081. 93. The ninety-third observation is the date of the ninety-third observation, which is 1/1/2082. 94. The ninety-fourth observation is the date of the ninety-fourth observation, which is 1/1/2083. 95. The ninety-fifth observation is the date of the ninety-fifth observation, which is 1/1/2084. 96. The ninety-sixth observation is the date of the ninety-sixth observation, which is 1/1/2085. 97. The ninety-seventh observation is the date of the ninety-seventh observation, which is 1/1/2086. 98. The ninety-eighth observation is the date of the ninety-eighth observation, which is 1/1/2087. 99. The ninety-ninth observation is the date of the ninety-ninth observation, which is 1/1/2088. 100. The hundredth observation is the date of the hundredth observation, which is 1/1/2089.
